For each student, SpeedGrader has five areas:

1. View student submissions (text entries, website URLs, media recordings, and/or file uploads). Preview .doc, .docx, .ppt, .pptx, and .pdf submissions using [Crocodoc](#); review other file format submissions using the document previewer or Google Preview
2. Assign a grade based on your preferred assessment method (points or percentage)
3. View Rubric to assist with grading (if one is added to the assignment)
4. View comments created by you or the student about the assignment
5. Create text, video, and/or audio commentary for the student
