Call a Librarian: 203-576-4747

Walk-ins welcome, no appointment needed!
General Paper Format

- Entire document double-spaced
- 12-point, Times New Roman font
- 1” margins all around
- 1/2” indentation for first line of each paragraph
- Header: Page numbers in upper-right of every page. Title of paper IN ALL CAPS in upper-left. Include “Running head:” before title on the title page
- Title page: Author’s Name University of Bridgeport FYS-101: First Year Seminar December 9, 2016

In-text Citations

- All sources cited in text are also in the Reference list
- When the author’s name is not mentioned in the sentence, in-text citations include a superscript number located at the end of the sentence after closing punctuation
  Researchers are convinced the results are valid.¹
- When the author’s name is mentioned, the superscript number follows the name
  Smith¹ is convinced the results are valid.
- Numbers begin with 1 and continue throughout the paper

Not sure what to do? Ask a librarian for help! We can help you find the answer to your AMA questions

Reference Page

- “References” written at the top-center of page
- List entries in the order they appear in the text
- Entries use a hanging indentation
- Entire list is double-spaced
