

UB PREPAY POLICY

The University of Bridgeport has a payment option that will enable families to stabilize tuition charges for the period of the student's undergraduate career. The Tuition Prepayment Plan ("Plan") offers the participant/s the opportunity to prepay tuition for four years at the rate of annual tuition set for the first year of participation in the Plan, and protects the participant/s from future tuition increases while the student is enrolled.

Eligibility

The Plan is available only for undergraduate study at the University of Bridgeport. Charges for items not included in tuition and general fees must be paid as they become due. This includes, but is not limited to, charges for room and board, health insurance, course fees, books etc.

The Plan is only available to students who do not apply or qualify for any financial aid. Academic merit awards offered from the University of Bridgeport for four years will be deducted from the total cost.

Leave of Absence

Should a student take a leave of absence for a period of up to one year, the tuition prepayment for that year (or semester) will be applied to the next year (or semester) of scheduled enrollment which has not already been prepaid, provided that tuition prepayments will not be applied for any semester which commences after the fifth anniversary of the date the student commenced studies at the University.

If a student takes a leave of absence for up to one year to earn credit at another institution which will be applied to his or her Bridgeport degree, a refund of the prepaid tuition for the period of the leave will be made upon request. Leaves of absence for more than one year will be defined as a withdrawal and a prorated refund will be made as indicated.

Withdrawal from the University

In the event the student withdraws from the University, a refund of tuition prepaid will be made for the current year in accordance with the University's published refund policy. Refunds for future years will be made in the amount prepaid for each year. Refunds of any prepaid funds will be returned to the Financier/Participant.
